Institutional preparedness for NEP

1. Multidisciplinary/interdisciplinary:

- As an affiliated institution, the college follows the curriculum prescribed by the University.In view of NEP the college follows the directives of affiliating university.
- It has prepared a new interdisciplinary structure integrating different disciplines. Academic
 programmes are redesigned to include Multidisciplinary/Interdisciplinary courses as
 electives from June 2023 at PG level and from June 2024 at UG level so that the student
 gets maximum flexibility. The College has always strived for a multidisciplinary approach in
 its academic as well as co-curricular activities.
- All the courses offered by the college are Choice Based Credit System (CBCS). The college
 offers a flexible and innovative curriculum designed by the BoS of affiliating University
 that includes credit-based courses.
- Students of PG commerce complete research projects and internships with industry as a part of the curriculum to find solutions to society's most pressing issues and challenges.
- The College has constituted a committee for implementation of NEP.
- The college has taken efforts in displaying NEP Policy documents for its popularization and easy access to all stakeholders.

2. Academic bank of credits (ABC):

- The college is affiliated to P.A.HolkarSolapurUniversity, Solapur and university has implemented NEP 2020 from 2023 onwards at PG level and from June 2024 for UG level. Therefore from 2023 onwards the students' individual registration in Academic Bank of Credits (ABC) has been initiated as per the guidelines of the affiliating university.
- From 2023 onwards University is in the process of student's registration through the digitallocker.gov.in platform through its affiliated colleges.
- The student registration process is initiated on the ABC portal at the time of admission.
- Workshop was organized at the college level to create and maintain their ABC account.
- The University follows a choice based credit system (CBCS) for all its programmes.
- The syllabus was restructured as per the guidelines and care has been taken to provide exposure to current and relevant areas to be covered at this syllabus framing.
- University has introduced mandatory credits in the curriculum that are to be earned by the student during graduation.
- For successful implementation of ABC, College has started encouraging students to enrol in and complete the courses like SWAYAM and NPTEL for added credits.

3. Skill development:

- The Vision and Mission of the college emphasized on women empowerment through quality education.
- The college consistently takes efforts to make the students self- employable therefore it runs various short term skill based courses.
- The college has successfully set up a skill development centre for the skill development in Computer Application related courses, Fashion Designing, Beauty Parlour, Food Processing etc.
- The college has organised workshops and lectures on Soft Skills, Personality development for students. The college has taken efforts to strengthen soft skills of students including 21st century skills such as critical thinking, problem solving, creativity, goal setting, decision making etc.
- The college promotes experiential based learning so students are motivated to take projects and internships in industries.
